Senior DSA Trainer

I enable hundreds of students to ace their placements by teaching them data structures and algorithms, problem-solving skills, and coding best practices at FACE Prep, where I serve as a Senior DSA Trainer. Additionally, I mentor and guide them on interview preparation and career development.

WORK EXPERIENCE

Face Prep • Jul 2021 - Present

Senior DSA Trainer

- Delivered high-impact technical training programs to over 47 institutions nationwide.
- Achieved excellent training delivery consistently, evidenced by over 1700 successful training sessions.
- Championed internal training efficiency by investing over 1350 hours in personal skill development, ensuring peak performance.
- Developed and delivered training programs to students from prestigious institutions like VIT Vellore.
- Consistently maintained exceptional feedback ratings, exceeding 4.6 on a 5-point scale.

E Box • Jul 2020 - Jun 2021

Content Developer

- Developed engaging learning materials for online school tutoring and a government NEET training program.
- Utilized MS Office and online quiz creation portals to create interactive content and assessments, promoting student engagement and knowledge retention.
- Produced captivating presentations for classroom instruction, facilitating a more dynamic and impactful learning experience.
